Welcome to Crossroads!

We're so glad your student is part of our club! Here's a brief overview of what Crossroads is all about:

The purpose of Crossroads crew clubs is to promote healthy relationships and spiritual growth. We believe that it is vital for every student to know they are loved by God and by members of their community. When st understands that their life has meaning and purpose, they will thrive academically, socially and emotionally. At every crew club session, your student's co-captains are committed to creating an environment that is fun and welcoming.

What happens in crew clubs?

Club sessions are organized around three R's, where students will:

Relate to one another.

Your student's co-captains are dedicated to creating a welcoming and inclusive crew club where each student is known, accepted, and valued for the unique individual God created them to be.

Receive God's Word.

Crew club sessions are organized around an interactive Bible story and a key teaching point from God's Word.

Respond to God's truth.

All crew club sessions close with an opportunity to apply the key teaching point to life and a time of prayer and worship.

What are Crossroads Crew Kits?

Along with weekly crew club sessions, your student will receive this monthly crew kit. Each kit will include engagement activities that encourage students to discover the unique way they were created to connect with God and share God's love and Word with others.
