

Parents

Welcome to Crossroads!

We're so glad your child is part of our club! We are excited to partner with you to raise kids of character. Here's a brief overview of what Crossroads is all about:

The purpose of Crossroads crew clubs is to promote healthy relationships and spiritual growth. We believe that it is vital for every child to know they are loved by God and by members of their community. When a child understands that their life has meaning and purpose, they will thrive academically, socially and emotionally. At every club session, your child's co-captains are committed to building an environment that is fun, welcoming, and where everyone respects one another.

What happens in crew clubs?

Club sessions are organized around three R's, where children will:

Relate to one another.

Your child's co-captains are dedicated to creating a welcoming and inclusive crew club where each child is known and accepted.

Receive God's Word.

Crew club sessions are organized around an interactive Bible story and a key teaching point from God's Word.

Respond to God's truth.

All crew club sessions close with an opportunity to apply the key teaching point to life and a time of prayer and worship.

What are Crossroads Crew Kits?

Along with weekly crew club sessions, your child will receive this monthly crew kit to supplement what your child is learning in their crew club. Each kit will include an opportunity for your child to recall and remember a Bible story from their club sessions through a Bible mystery challenge. Each kit will have three separate clues in the form of interactive games, activities, puzzles, and challenges, all of which will point to a particular Bible story from the club sessions for your child to uncover. Each month, the kit will also include engagement activity options for your child to choose from. These activities encourage children to spend time with God, share God's love with others, and share God's Word.
