Relate (20 minutes)

Welcome students with a snack.

Distribute name tags and snacks. Choose one of the following icebreaker activities to do together while students eat their snack:

Icebreaker Options (Choose one.):

- God sightings: Ask students to describe how they’ve seen God at work in their school or at their home in the past week.
- Let students take turns sharing how they’re feeling today using the Feelings Wheel (from the CKC Games Bag).
- Open a discussion with a question, “What gives you comfort when you feel alone?”

Play a game.

Don’t Get Trapped in the Sea

Choose two students to form the walls of the “Red Sea.” They should stand facing each other and hold their arms up to form a tunnel in between them. To play, students walk

in a circle through the tunnel and around the outside while music is played. When the music stops, anyone inside the walls of the “Red Sea” gets trapped. Then they become part of the wall, and the length of the tunnel increases. Play until only one student remains and is declared the winner.

You may want to play a song from the [Praise and Worship Guide](#).

Israelites Vs. Pharaoh's Army (A.K.A. Sharks and Minnows)

Choose one student to be “Pharaoh's Army.” The rest of the players are “Israelites” and should line up on one side of the playing area. When “Pharaoh's Army” yells “1 . . . 2 . . . 3 . . . all the Israelites cross the sea!,” all the players must run across the playing area to the opposite side. “Pharaoh's Army” should try to tag as many “Israelites” as possible before they reach safety on the other side. Any “Israelite” who has been tagged becomes a part of Pharaoh's Army and assists in tagging remaining “Israelites” as they cross the sea. Play continues until one player is left.

Read God's Word.

Today we are learning a new name of God - “Yahweh Shammah.” The Hebrew word “YAHWEH” refers to the name of God that means: “I AM.” Can you guess what the Hebrew word “Shammah” means? It means God is with us. So Yahweh Shammah literally means “I AM” is with you. Today's story is all about how God is with his people.

God's people had been slaves in Egypt for many years.

Pharaoh and the Egyptians were cruel to the Israelites. They whipped them and beat them. They made the Israelites work hard to build giant buildings and monuments.

God had promised many years before to his people that he would give them a land of their own and a place where they could freely worship him.

God sent a man named Moses to go to Pharaoh, the king of Egypt. Moses shook his finger at Pharaoh and said “Let my people GO!”

At first Pharaoh said NO! But after God brought many disasters upon the Egyptians for Pharaoh's disobedience, Pharaoh finally said, Okay get out of here! You can leave Egypt.

So God's people packed up their things and left. They took their animals, pulled their carts, carried their babies, etc. and left Egypt.

They didn't know where to go, but God led them. God was with them by day and by night. By day, the people saw God in a pillar of cloud, and by night a pillar of fire.

They were camping out in the wilderness when Pharaoh changed his mind. He got together his army - all his chariots and horses and weapons, and hurried to track down the Israelites to bring them back to be slaves again.

When the Israelites looked off in the distance and saw Pharaoh's army coming, they almost panicked! But God was with them. They watched the cloud in the sky and they followed it. It stopped over a big body of water called the Red Sea. That's when something amazing happened. The water separated into two walls and created a path of dry land. The Israelites followed the cloud through the dry path in the sea to the other side.

Pharaoh's army was coming. They tried to follow the Israelites, but then, God let the waters fall and all of Pharaoh's army was destroyed in the sea. God's people were safe on the other side. They were thankful for God's presence with them.

They traveled through the wilderness many more years waiting for God's promised land and nation. But everywhere they went, God was with them, in a pillar of cloud by day and a pillar of fire by night. So no matter what troubles they faced, they were never alone.

Did you see in the story today how God was with the Israelites? Even though they couldn't see God, they had two signs of his real presence among them: a pillar of cloud by day and a pillar of fire by night. God is with his people today too! You are going to talk more about that in your small groups.

Group Game:

Tell students you are going to quiz them on their memory of the story today. Designate an area or wall in the space for True and another for False. After you read each statement students must decide which answer they are choosing and go to that designated area. If they have the wrong answer they are out. Last students remaining get a prize.

- 1. God promised to give his people a land of their own. (True)**
- 2. God sent a man named Moses to set his people free. (True)**
- 3. Pharaoh was happy to let the Israelites go free. (False)**
- 4. God's presence was with the Israelites in a pillar of cloud by night and a pillar of fire by day. (False)**
- 5. The Israelites swam across the Red Sea. (False)**
- 6. Pharaoh's army was destroyed in the Red Sea. (True)**

Respond (20 minutes)

Apply God's truth.

Open a discussion:

- **How can we tell that God was with the Israelites?** (Answers may include: He gave them a sign of his presence through the pillar of cloud and fire. He helped deliver them from slavery and miraculously parted the Red Sea.)
- **Why do you think God chose to help Israel?** (Answers may include: God had made a special promise to the Israelites, and he always keeps his promise. He heard their troubles and had compassion. They were his people, and he loves and cares for his people.)
- **If you were one of the Israelites, how would you have felt when you were trapped between Pharaoh's army and the Red Sea?** (Answers will vary.)
- **Did God abandon (leave) the Israelites? Why or why not?** (No. God was with them even when it looked bad - he provided a way for them when they didn't see the way out.)
- **Do you ever feel like you are alone or God is far away? When?** (Answers will vary.)
- **How does knowing God is always with you make you feel?** (Answers will vary.)

If we believe in Jesus, God puts his Spirit in our hearts. That means he is always with us, even in very difficult, sad or scary situations.

What are some problems that students like you might face in their life?

Take student responses.

Jesus is with us even in all those times!

Ask and discuss:

- **What does it mean for someone to fail you?**
- **What does it mean to abandon someone?**

God says he will never fail us. He will never abandon us. God's presence is with believers through his Spirit. Also, God lives and works in the world through his people, the Church. When we spend time learning about God and growing with others, we experience God's presence in our lives. That's why we come to Crossroads or other places that we learn God's Word and grow in our faith - so we can experience God's presence more and more.

Sing and worship together.

Pick a song from the [Praise and Worship Guide](#), or choose one of your own. Incorporate movement into the songs whenever possible.

Close in prayer together.

God's Word tells us to pray with a grateful heart, giving thanks to God. Today we have a great reason to thank God - we can thank him for the

amazing gift of being with us always!

Give students a sheet of paper and a pen or pencil.

Journal Topic	Prayer
Give students 3-5 minutes to journal on the topic: Do I always feel like Jesus is with me? Why or why not?	Dear Jesus, Help us to know that you are always with us even when we don't realize it. Thank you for always being with us.

Then, take prayer requests and close in prayer.
