

Vision Dinner Invitation Phone Script

Hi [Friend's Name], it's [Your Name]! I wanted to share something with you that I'm really excited about. There's a Vision Dinner coming up on April 5th at The Historic Brookstown Inn, and I'd love for you to join me. It's hosted by Crossroads Kids Club, an amazing organization that's making a real difference in the lives of kids by bringing the love of Jesus into public schools through after-school clubs.

What makes this evening special is hearing the stories of how kids' lives are being transformed—stories of hope, purpose, and connection that happen because people like us care enough to get involved. It's inspiring and humbling to see how God is working in these kids' lives, and I know it's something you'd really connect with too.

I think it'll be a meaningful evening for both of us. Plus, it's a great opportunity to learn more about how we can be part of this incredible mission. Would you be able to come with me?

[Pause for response]

If you can make it, I'll send over all the details and help us both get registered—it's super easy. And if you want to bring someone else who might be interested, let me know. The more, the merrier!

Thank you for letting me share this with you. I really hope you can come—it wouldn't be the same without you. Let me know what you think!
